## Introduction

This *Evidence of Coverage (EOC)* describes the health care coverage of "Kaiser Permanente Traditional Plan" (a nonfederally qualified plan) provided under the *Agreement* between Kaiser Foundation Health Plan, Inc., and your Group. For benefits provided under any other Health Plan program, refer to that plan's *Evidence of Coverage*. In this *EOC*, Kaiser Foundation Health Plan, Inc., is sometimes referred to as "Health Plan," "we," or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this *EOC*; please see the "Definitions" section for terms you should know.

**Please read the following information so that you will know from whom or what group of providers you may get health care.** It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections that apply to you.

### Term of this EOC

This *EOC* is for the period January 1, 2005, through December 31, 2005, unless amended. Your Group's benefits administrator can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended.

### About Kaiser Permanente

Kaiser Permanente provides Services directly to our Members through an integrated medical care program. Our Health Plan, Plan Hospitals, and Medical Group work together to provide our Members with quality care. Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, and other benefits described in the "Benefits, Copayments, and Coinsurance" section. Plus, our preventive care programs and health education classes offer you and your family great ways to protect and improve your health.

We provide covered Services to Members using Plan Providers located in our Service Area, which is described in the "Definitions" section. You must receive all covered care from Plan Providers inside our Service Area, except as described in the following sections about:

- Getting a referral, in the "How to Obtain Services" section
- Emergency Care, Post-stabilization Care, and Out-of-Area Urgent Care, in the "Emergency, Urgent, and Routine Care" section
- Emergency ambulance Services described under "Ambulance Services" in the "Benefits, Copayments, and Coinsurance" section

## Definitions

- For items obtained at a pharmacy owned and operated by Kaiser Permanente, the amount the pharmacy would charge a Member for the item if a Member's benefit plan did not cover the item (this amount is an estimate of: the cost of acquiring, storing, and dispensing drugs, the direct and indirect costs of providing Kaiser Permanente pharmacy Services to Members, and the pharmacy program's contribution to the net revenue requirements of Health Plan)
- For all other Services, the payments that Kaiser Permanente makes for the Services (or, if Kaiser Permanente subtracts a Deductible, Copayment, or Coinsurance from its payment, the amount Kaiser Permanente would have paid if it did not subtract the Deductible, Copayment, or Coinsurance)

**Clinically Stable:** You are considered Clinically Stable when your treating physician believes, within a reasonable medical probability and in accordance with recognized medical standards, that you are safe for discharge or transfer and that your condition is not expected to get materially worse during or as a result of the discharge or transfer.

Note: We may expand our Service Area at any time by giving written notice to your Group. ZIP codes are subject to change by the U.S. Postal Service.

**Services:** Health care services or items.

**Skilled Nursing Facility:** A facility that provides inpatient skilled nursing care, rehabilitation services, or other related health services and is licensed by the state of California and approved by Health Plan. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include a convalescent nursing home, rest facility, or facility for the aged that furnishes primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a Plan Hospital) as long as it continues to meet the definition above.

**Spouse:** Your legal husband or wife.

**Subscriber:** A Member who is eligible for membership on his or her own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section).

## Dues, Eligibility, and Enrollment

### Dues

Your Group is responsible for paying Dues. If you are responsible for any contribution to the Dues, your Group

will tell you the amount and how to pay your Group (through payroll deduction, for example).

## **Who Is Eligible**

To enroll and to continue enrollment, you must meet all of the eligibility requirements described in this "Who Is Eligible" section.

### **Group eligibility requirements**

You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of its eligibility requirements, such as the minimum number of hours that employees must work. Please note that your Group might not allow enrollment to some persons who meet the requirements described under "Service Area eligibility requirements" and "Additional eligibility requirements" below.

### **Service Area eligibility requirements**

The Subscriber must live or work in our Service Area at the time he or she enrolls. The "Definitions" section describes our Service Area and how it may change. You cannot enroll or continue enrollment as a Subscriber or Dependent if you live in or move to a Region outside California except as described below. If you move anywhere else outside our Service Area after enrollment, you can continue your membership as long as you meet all other eligibility requirements. However, you must receive covered Services from Plan Providers inside our Service Area, except as described in the following sections about:

- Getting a referral, in the "How to Obtain Services" section
- Emergency Care, Post-stabilization Care, and Out-of-Area Urgent Care, in the "Emergency, Urgent, and Routine Care" section
- Emergency ambulance Services described under "Ambulance Services" in the "Benefits, Copayments, and Coinsurance" section

**Regions outside California.** If you live in or move to the service area of a Region outside California, you are not eligible for membership under this *EOC* (unless one of the exceptions listed below applies to you). Please contact your Group's benefits administrator to learn about your Group health care options. You may be able to enroll in the new service area if there is an agreement between your Group and the Region, but the coverage, dues, and eligibility requirements might not be the same.

**Exceptions** — This restriction does not apply to the following persons:

- A Subscriber who works inside our Service Area

- The Subscriber's or the Subscriber's Spouse's children
- Members who are eligible under this *EOC* because of COBRA, Cal-COBRA, or USERRA coverage (please refer to the "Continuation of Membership" section for information about COBRA, Cal-COBRA, or USERRA coverage)

For the purposes of this eligibility rule, the service areas of the Regions outside California may change on January 1 of each year and are currently the District of Columbia and parts of Colorado, Georgia, Hawaii, Idaho, Maryland, Ohio, Oregon, Virginia, and Washington. For more information, please call our Member Service Call Center.

**Note:** You may be able to receive certain care if you are visiting a service area in another Region. See "Visiting other Regions" in the "How to Obtain Services" section for information.

**Northern California Region's service area.** If you live in or are moving to our Northern California Region's service area, please contact your Group's benefits administrator to learn about your Group health care options. Your Group may have an arrangement with us that permits membership in the Northern California Region, but the coverage, dues, and eligibility requirements might not be the same as under this *EOC*.

### **Additional eligibility requirements**

You may be eligible to enroll as a Subscriber if you are:

- An employee of your Group
- A proprietor or partner of your Group
- Otherwise entitled to coverage under a trust agreement, retirement benefit program, or employment contract (unless the IRS considers you self-employed)

If you are a Subscriber, the following persons may be eligible to enroll as your Dependents:

- Your Spouse
- Your or your Spouse's unmarried children (including adopted children or children placed with you for adoption) who are under age 19, or under age 25 if a student as defined by your Group
- Other unmarried dependent persons (but not including foster children) who meet all of the following requirements:
  - ♦ they are under age 19, or under age 25 if a student as defined by your Group
  - ♦ they receive all of their support and maintenance from you or your Spouse
  - ♦ they permanently reside with you (the Subscriber)

- ◆ you or your Spouse is the court-appointed guardian (or was before the person reached age 18) or the person's parent is an enrolled Dependent under your family coverage
- Dependents who meet the Dependent eligibility requirements except for the age limit may be eligible if they meet all the following requirements:
  - ◆ they are incapable of self-sustaining employment because of mental retardation or physical handicap that occurred prior to reaching the age limit for Dependents
  - ◆ they receive substantially all of their support and maintenance from you or your Spouse
  - ◆ you give us proof of their incapacity and dependency within 31 days after we request it

- If none of the above applies to you and you are eligible for Medicare or you retire, please ask your Group's benefits administrator about your membership options

**When Medicare is primary.** If you are or become eligible for Medicare Part A or Part B (or both), as primary coverage, and you are not enrolled through your Group in Kaiser Permanente Senior Advantage for any reason (even if you are not eligible to enroll or the plan is not available to you), your Group's Dues may increase. If your Group fails to pay the entire Dues required for your Family Unit, your membership will be terminated in accord with "Partial payment of Dues for a Family Unit" under "Termination for Nonpayment" in the "Termination of Membership" section.

### Persons barred from enrolling

- You cannot enroll if you have had your entitlement to receive Services through Health Plan either rescinded or terminated for cause
- You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for failure to pay any amounts owed to Health Plan or a Plan Provider, unless we agree to allow you to enroll after you pay all amounts owed by you and your dependents

**When Medicare is secondary.** Medicare is the primary coverage except when federal law requires that your Group's health care plan be primary and Medicare coverage be secondary. Members eligible for Medicare as their secondary coverage are subject to the same Dues and receive the same benefits as Members who are not eligible for Medicare. However, any such Members who meet the eligibility requirements for our Kaiser Permanente Senior Advantage plan may enroll in Senior Advantage if the plan is available to you. These Members receive the benefits and coverage described in the Kaiser Permanente Senior Advantage Medicare as a Secondary Payer (MSP) *EOC*.

### Members with Medicare and retirees

This plan is not intended for most Medicare beneficiaries and some Groups do not offer coverage to retirees. If, during the term of this *EOC*, you are or become eligible for Medicare or you retire, please ask your Group's benefits administrator about your membership options as follows:

- If a Subscriber retires who is entitled to Medicare Part B, and the Subscriber's Group has a Kaiser Permanente Senior Advantage plan for retirees, the Subscriber should enroll in the plan if eligible
- If the Subscriber retires and your Group does not offer coverage to retirees, you may be eligible to continue membership as described in the "Continuation of Membership" section of this *EOC*
- If federal law requires that your Group's health care plan be primary and Medicare coverage be secondary, your coverage under this *EOC* will be the same as it would be if you had not become eligible for Medicare. However, you may be eligible to enroll in Kaiser Permanente Senior Advantage through your Group if you are entitled to Medicare Part B
- If you are or become eligible for Medicare and are in a class of beneficiaries for which your Group's health care plan is secondary to Medicare, you should enroll in Kaiser Permanente Senior Advantage through your Group if you are eligible

Note: You may be ineligible to enroll in Kaiser Permanente Senior Advantage if that plan has reached a capacity limit that the Centers for Medicare & Medicaid Services has approved. This limitation does not apply to existing Members who are eligible for Medicare (for example, when you turn age 65).

### When You Can Enroll and When Coverage Begins

Your Group is required to inform you when you are eligible to enroll and your effective date of coverage. If you are eligible to enroll as described under "Who Is Eligible" in this "Dues, Eligibility, and Enrollment" section, enrollment is permitted as described below and membership begins at the beginning (12:00 a.m.) of the effective date of coverage indicated below (your Group may have additional requirements that we have approved, which allow enrollment in other situations).

### **New employees**

When your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan-

approved enrollment application to your Group within 60 days.

**Effective date of coverage.** The effective date of coverage for new employees and their eligible family Dependents is determined by your Group.

### **Adding new Dependents to an existing account**

To enroll a Dependent who first becomes eligible to enroll after you became a Subscriber (such as a new Spouse, a newborn child, or a newly adopted child), you must submit a Health Plan-approved change of enrollment form to your Group within 60 days after the Dependent first becomes eligible.

**Effective date of coverage.** Other than a newborn or a newly adopted child (including a child placed with you for adoption), the effective date of coverage for newly acquired Dependents is the first of the month following the date of acquisition. For a newborn or a newly adopted child, the effective date of coverage is as follows:

- A newborn child is covered from the moment of birth if the Subscriber enrolls the child within 60 days after birth. Any Dues required for the newborn will be effective the first of the month following birth
- If the newborn child is not enrolled within 60 days, the newborn is covered only through the calendar month of birth, or the mother's hospitalization if she is a Member, whichever is later
- A newly adopted child's (including a child placed with you for adoption) membership will begin on the date when the adopting parent gains the legal right to control the child's health care if the Subscriber enrolls the child within 31 days of that date

### **Open enrollment**

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the effective date of coverage.

### **Special enrollment**

If you do not enroll when you are first eligible and later want to enroll, you can enroll only during open enrollment unless one of the following is true:

- You become eligible as described in this "Special Enrollment" section
- You did not enroll when you were first eligible and your Group does not give us a written statement that verifies you signed a document that explained restrictions about enrolling in the future. The

effective date of an enrollment resulting from this provision is no later than the first day of the month following the date the Group receives a Health Plan-approved enrollment or change of enrollment application from the Subscriber

### **Special enrollment of a Family Unit due to new**

**Dependents.** You may enroll as a Subscriber with your Dependents within 30 days after marriage, birth, adoption, or placement for adoption by submitting to your Group a Health Plan-approved application. You must enroll at least one newly acquired Dependent when you enroll as a Subscriber.

The effective date of an enrollment resulting from marriage is no later than the first day of the month following the date the Group receives an enrollment application from the Subscriber. Enrollments due to birth, adoption, or placement for adoption are effective on the date of birth, adoption, or placement for adoption.

### **Special enrollment due to loss of other coverage.**

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment or change of enrollment application to your Group within 30 days after loss of other coverage, if all of the following are true:

- The Subscriber or Dependent had other coverage when he or she previously declined Health Plan coverage
- The loss of the other coverage is due to one of the following:
  - ♦ exhaustion of COBRA coverage
  - ♦ in the case of non-COBRA coverage, loss of eligibility or termination of employer contributions (but not termination for cause or nonpayment)
  - ♦ termination of "no share of cost" Medi-Cal coverage

**Note:** If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, only one of you must meet the requirements stated above.

The effective date of an enrollment resulting from loss of other coverage is no later than the first day of the month following the date the Group receives an enrollment or change of enrollment application from the Subscriber.

### **Special enrollment due to court or administrative**

**order.** Within 60 days of the date of a court or administrative order requiring a Subscriber to provide health care coverage for a Spouse or child who meets the eligibility requirements as a Dependent, the Subscriber

may add the Spouse or child as a Dependent by submitting to your Group a Health Plan-approved enrollment or change of enrollment application.

The effective date of an enrollment resulting from a court or administrative order is the first of the month following the date of the court order.

## How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described in the following sections about:

- Getting a referral, in this section
- Emergency Care, Post-stabilization Care, and Out-of-Area Urgent Care, in the "Emergency, Urgent, and Routine Care" section
- Emergency ambulance Services described under "Ambulance Services" in the "Benefits, Copayments, and Coinsurance" section

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, and other benefits described in the "Benefits, Copayments, and Coinsurance" section.

## Your Primary Care Plan Physician

Your primary care Plan Physician plays an important role in coordinating your medical care needs, including hospital stays and referrals to specialists. We encourage you to choose a primary care Plan Physician. You may select a primary care Plan Physician from any of our available Plan Physicians who practice in these specialties: internal medicine, family medicine, and pediatrics. Also, women can select any available primary care Plan Physician from obstetrics/gynecology. You can change your primary care Plan Physician for any reason. To learn how to select a primary care Plan Physician, please call our Member Service Call Center. You can find a directory of our Plan Physicians on our Web site at [www.kaiserpermanente.org](http://www.kaiserpermanente.org).

## Special note about Coachella Valley and western Ventura County

Subscribers residing in Coachella Valley and western Ventura County are required to select a primary care Plan Physician (Affiliated Physician) for themselves and each covered Dependent. In these areas, Plan Providers

(except for Plan Pharmacies that are owned and operated by Kaiser Permanente) are referred to as "Affiliated Providers," for example "Affiliated Physicians" and "Affiliated Hospitals." Please refer to our Service Area description in the "Definitions" section for the ZIP codes that are in these two areas.

Your primary care Affiliated Physician will provide or arrange your care in these areas, including Services from other Affiliated Providers, such as specialty Affiliated Physicians. **For Services from Affiliated Providers to be covered, your primary care Affiliated Physician must prescribe the care or authorize the referral,** except that women can get annual mammograms and visits to their obstetrics/gynecology Affiliated Physician without a referral from a primary care Affiliated Physician. Also, you may receive care from Plan Providers outside Coachella Valley and western Ventura County without a referral from your primary care Affiliated Physician. Some care requires a referral from a primary care Plan Physician, but the Plan Physician does not have to be an Affiliated Physician; for more details, see "Referrals to Plan Providers" in this "How to Obtain Services" section.

We will send you, the Subscriber, a letter explaining how to select a primary care Affiliated Physician. If you don't select a primary care Affiliated Physician, we will assign one. Dependents may select a different primary care Affiliated Physician from the Subscriber's by calling our Member Service Call Center. You may change your primary care Affiliated Physician once a month. If you need care before we have confirmed your primary care Affiliated Physician, please call our Member Service Call Center for assistance. To learn about Affiliated Providers, please refer to *Your Guidebook to Kaiser Permanente Services (Your Guidebook)*.

If the Subscriber in your Family Unit does not live in Coachella Valley or western Ventura County, you may receive covered care from Affiliated Providers in these areas even if you haven't chosen a primary care Affiliated Physician.

## Getting a Referral

### Referrals to Plan Providers

Primary care Plan Physicians provide primary medical care, including pediatric care and obstetrics/gynecology care. Plan specialists provide specialty care in areas such as surgery, orthopedics, cardiology, oncology, urology, and dermatology. A Plan Physician will refer you to a Plan specialist when appropriate. You don't need a referral to receive primary care from Plan Physicians in the following areas: internal medicine,

obstetrics/gynecology, family planning, family medicine, pediatrics, optometry, psychiatry, and chemical dependency. Please check *Your Guidebook* to see if your facility has other departments that don't require a referral. Also, please refer to "Special note about Coachella Valley and western Ventura County" in this "How to Obtain Services" section for additional requirements that apply when a Subscriber lives in these areas.

### **Medical Group authorization procedure for certain referrals**

The following Services require prior authorization by Medical Group for the Services to be covered:

- **Services not available from Plan Providers.** If your Plan Physician decides that you require covered Services not available from Plan Providers, he or she will recommend to Medical Group that you be referred to a Non-Plan Provider inside or outside our Service Area. The appropriate Medical Group designee will authorize the Services if he or she determines that they are Medically Necessary and are not available from a Plan Provider
- **Bariatric surgery.** If your Plan Physician makes a written referral for bariatric surgery, Medical Group's regional bariatric medical director or his or her designee will authorize the Service if he or she determines that it is Medically Necessary. Medical Group's criteria for determining whether bariatric surgery is Medical Necessary is described in Medical Group's bariatric surgery referral guidelines, which are available upon request
- **Durable medical equipment (DME).** If your Plan Physician prescribes DME, he or she will submit a written referral to the Plan Hospital's DME coordinator, who will authorize the DME if he or she determines that your DME coverage includes the item and that the item is listed on our formulary for your condition. If the item doesn't appear to meet our DME formulary guidelines, then the DME coordinator will contact the Plan Physician for additional information. If the DME request still doesn't appear to meet our DME formulary guidelines, it will be submitted to Medical Group's designee Plan Physician, who will authorize the item if he or she determines that it is Medically Necessary. For more information about our DME formulary, please refer to "Durable Medical Equipment for Home Use" in the "Benefits, Copayments, and Coinsurance" section
- **Ostomy and urological supplies.** If your Plan Physician prescribes ostomy or urological supplies, he or she will submit a written referral to the Plan Hospital's designated coordinator, who will authorize the item if he or she determines that the item is listed on our formulary for your condition. If the item doesn't appear to meet our soft goods formulary

guidelines, then the coordinator will contact the Plan Physician for additional information. If the request still doesn't appear to meet our soft goods formulary guidelines, it will be submitted to Medical Group's designee Plan Physician, who will authorize the item if he or she determines that it is Medically Necessary. For more information about our soft goods formulary, please refer to "Ostomy and Urological Supplies" in the "Benefits, Copayments, and Coinsurance" section

- **Transplants.** If your Plan Physician makes a written referral for a transplant, Medical Group's regional transplant advisory committee or board (if one exists) will authorize the Services if it determines that they are Medically Necessary. In cases where no transplant committee or board exists, Medical Group will refer you to physician(s) at a transplant center, and the Medical Group will authorize the Services if the transplant center's physician(s) determine that they are Medically Necessary

Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

The Copayments and Coinsurance for these referral Services are the same as those required for Services provided by a Plan Provider as described in the "Benefits, Copayments, and Coinsurance" section.

**Medical Group's decision time frames.** The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If Medical Group needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, tests, or specialist that is needed, and the date Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If Medical Group does not authorize all of the Services, you will be sent a written decision and explanation within two business days after the decision is made. The letter will include information about your appeal rights, which are described in the "Dispute Resolution" section. Any

written criteria Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

**More information.** This description is only a brief summary of the authorization procedure. The policies and procedures (including a description of the authorization procedure or information about the authorization procedure applicable to some Plan Providers other than Kaiser Foundation Hospitals and Medical Group) are available upon request from our Member Service Call Center. Please refer to the "Emergency, Urgent, and Routine Care" section for authorization requirements that apply to Post-stabilization Care. Also, please refer to "Your Primary Care Plan Physician" in this "How to Obtain Services" section for the authorization requirements that apply when a Subscriber lives in Coachella Valley or western Ventura County.

### Completion of Services from Non-Plan Providers

**New Member.** If you are currently receiving Services from a Non-Plan Provider in one of the cases listed below under "Eligibility" and your enrollment with us will end your prior plan's coverage of the provider's Services, you may be eligible for limited coverage of that Non-Plan Provider's Services.

**Terminated provider.** If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

**Eligibility.** The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- We may cover Services for serious chronic conditions until the earlier of (i) 12 months from your effective date of coverage if you are a new Member, (ii) 12 months from the termination date of the terminated provider, or (iii) the first day when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non-Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions

that are serious, if one of the following is true about the condition:

- ◆ it persists without full cure
- ◆ it worsens over an extended period of time
- ◆ it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Care for children under age 3. We may cover completion of these Services until the earlier of (i) 12 months from the child's effective date of coverage if the child is a new Member, (ii) 12 months from the termination date of the terminated provider, or (iii) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Service
- You are receiving Services in one of the cases listed above from a Non-Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non-Plan Provider
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside our Service Area
- The Services to be provided to you would be covered Services under this EOC if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

The Copayments and Coinsurance for completion of Services are the same as those required for Services

provided by a Plan Provider as described in the "Benefits, Copayments, and Coinsurance" section. For more information about this provision and to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Call Center.

## **Second Opinions**

If you request a second opinion, it will be provided to you by an appropriately qualified medical professional. This is a physician who is acting within his or her scope of practice and who possesses a clinical background related to the illness or condition associated with the request for a second medical opinion. You can either ask your Plan Physician to help you arrange for a second medical opinion, or you can make an appointment with another Plan Provider. If Medical Group determines that there isn't a Plan Provider who is an appropriately qualified medical professional for your condition, Medical Group will authorize a referral to a Non-Plan Provider for a Medically Necessary second opinion.

Some examples of when a second opinion is Medically Necessary are:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

The Copayments and Coinsurance for these referral Services are the same as those required for Services provided by a Plan Provider as described in the "Benefits, Copayments, and Coinsurance" section.

## **Contracts with Plan Providers**

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange

medical and hospital care for Members, please ask your Plan Physician or call our Member Service Call Center.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of noncovered Services or of Services you obtain from Non-Plan Providers.

## **Termination of a Plan Provider's contract**

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered care you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to continue to receive limited Services from a terminated provider; please refer to "Completion of Services from Non-Plan Providers" in this "How to Obtain Services" section.

## **Visiting other Regions**

If you visit the service area of another Region temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs will differ from the covered Services, Copayments, and Coinsurance described in this *EOC*.

The availability of visiting member care in the visited service area ends after 90 days unless you receive prior written authorization from us to continue receiving covered care in the visited service area. The service areas and facilities where you may obtain visiting member care may change at any time without notice.

Please call our Member Service Call Center for more information about visiting member care, including facility locations in other service areas, and to request a copy of the visiting member brochure.

## **Your Identification Card**

Each Member's Health Plan ID card has a Medical Record Number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. Your Medical Record Number is used to identify your medical records and membership information. Your Medical Record Number should never change. Please let us know if we ever inadvertently issue you more than one Medical Record Number, or if you need to replace your ID card, by calling our Member Service Call Center.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services he or she receives. If you let someone else use your ID card, we may keep your ID card and terminate your membership.

## **Getting Assistance**

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your primary care Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Most Plan Facilities have an office staffed with representatives who can provide assistance if you need help obtaining Services. At different locations, these offices may be called Member Services, Patient Assistance, or Customer Service. In addition, our Member Service Call Center representatives are available to assist you seven days a week (except holidays), from 7 a.m. to 7 p.m., at 1-800-464-4000 (for the hearing and speech impaired, the TTY line is 1-800-777-1370). For your convenience, you can also contact us through our Web site at [www.kaiserpermanente.org](http://www.kaiserpermanente.org).

Member Services representatives at our Plan Facilities and Member Service Call Center can answer any questions you have about your benefits, available Services, and the facilities where you can receive care. For example, they can explain your Health Plan benefits, how to make your first medical appointment, what to do if you move, what to do if you need care while you are traveling, and how to replace your ID card. These representatives can also help you if you need to file a claim as described in the "Requests for Payment or Services" section or with any issues as described in the "Dispute Resolution" section.

## **Plan Facilities**

At most of our Plan Facilities, you can usually receive all the covered Services you need, including specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you.

## **Plan Hospitals and Plan Medical Offices**

The following is a list of Plan Hospitals and most Plan Medical Offices in our Service Area. Additional Plan Medical Offices are listed in *Your Guidebook* and on our Web site at [www.kaiserpermanente.org](http://www.kaiserpermanente.org). This list is subject to change at any time without notice. If there is a change to this list of Plan Facilities, we will update this list in any EOC issued after that date. If we terminate a contract with a Plan Hospital, we will notify Subscribers who live in the hospital's area. If you have any questions about the current locations of Plan Facilities, please call our Member Service Call Center.

## Your Guidebook

Plan Medical Offices and Plan Hospitals for your area are listed in greater detail in *Your Guidebook to Kaiser Permanente Services (Your Guidebook)*. *Your Guidebook* describes the types of covered Services that are available from each Plan Facility in your area, because some facilities provide only specific types of covered Services. It includes additional facilities that are not listed in this "Plan Facilities" section. Also, it explains how to use our Services and make appointments, and includes a detailed telephone directory for appointments and advice. *Your Guidebook* provides other important information, such as preventive care guidelines and your Member rights and responsibilities. *Your Guidebook* is subject to change and periodically updated. You can get a copy by calling our Member Service Call Center or by visiting our Web site, [www.kaiserpermanente.org](http://www.kaiserpermanente.org).

**Note:** State law requires *Evidence of Coverage* documents to include the following notice: "Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal

ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Call Center, to ensure that you can obtain the health care services that you need."

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

## Emergency, Urgent, and Routine Care

This section explains how to obtain covered Emergency Care, Post-stabilization Care, urgent care, and routine care. It also describes how our advice nurses can help assess nonemergency medical symptoms.

The care discussed in this section is not covered unless it meets the coverage requirements stated in the "Benefits, Copayments, and Coinsurance" section (subject to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section).

## Emergency, Post-stabilization, and Urgent Care

### Emergency Care

If you have an Emergency Medical Condition, call 911 or go to the nearest hospital. When you have an Emergency Medical Condition, we cover Emergency Care from Plan Providers and Non-Plan Providers anywhere in the world.

An Emergency Medical Condition is:

- A medical or psychiatric condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could reasonably expect the absence of immediate medical attention to result in any of the following:
  - ◆ serious jeopardy to your health
  - ◆ serious impairment to your bodily functions
  - ◆ serious dysfunction of any bodily organ or part
- "Active labor," which means a labor when there is inadequate time for safe transfer to a Plan Hospital (or designated hospital) before delivery or if transfer poses a threat to the health and safety of the Member or unborn child

**Note:** Emergency Care is available at Plan Hospital Emergency Departments listed in *Your Guidebook*. For ease and continuity of care, we encourage you to go to a Plan Hospital Emergency Department, but only if it is reasonable to do so, considering your condition or symptoms. Please refer to *Your Guidebook* for Plan Hospital Emergency Department locations in your area.

**Post-stabilization Care.** Post-stabilization Care is the Services you receive after your treating physician determines that your Emergency Medical Condition is Clinically Stable. We cover Post-stabilization Care only if a Plan Provider provides it or if we authorize your receiving the care from a Non-Plan Provider.

To request authorization to receive Post-stabilization Care from a Non-Plan Provider, you must call us at 1-800-225-8883 *before* you receive the care if it is reasonably possible to do so (otherwise, call us as soon as reasonably possible). After we are notified, we will discuss your condition with the Non-Plan Provider. If we decide that your Post-stabilization Care would be covered if you received it from a Plan Provider, we will authorize your care from the Non-Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, licensed skilled nursing facility, or designated Non-Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non-Plan Provider to tell you what care (including any transportation) we have authorized since we do not cover unauthorized Post-stabilization Care or related transportation provided by Non-Plan Providers.

### **Urgent care**

When you are sick or injured, you may have an urgent care need. An urgent care need is one that requires prompt medical attention, but is not an Emergency Medical Condition. If you think you may need urgent care, call the appropriate appointment or advice nurse telephone number at a Plan Facility. Please refer to *Your Guidebook* for advice nurse and Plan Facility telephone numbers.

**Out-of-Area Urgent Care.** If you are temporarily outside our Service Area and have an urgent care need due to an unforeseen illness, injury, or complication of an existing condition (including pregnancy), we cover the Medically Necessary Services you receive from a Non-Plan Provider if we find that the Services were necessary to prevent serious deterioration of your (or

your unborn child's) health and the Services could not be delayed until you returned to our Service Area.

### **Call us!**

You must call us at **1-800-225-8883** (or the notification telephone number on your ID card) to request authorization for Post-stabilization Care *before* you obtain the care from a Non-Plan Provider if it is reasonably possible to do so (otherwise, call us as soon as reasonably possible). Also, please call us any time you are admitted to a Non-Plan Hospital.

We understand that extraordinary circumstances can delay your ability to call us, for example, if a young child is without a parent or guardian present, or you are unconscious. In these cases, you must call us as soon as reasonably possible. Please keep in mind that anyone can call us for you. We do not cover any care you receive from Non-Plan Providers after you're Clinically Stable unless we authorize it, so if you don't call as soon as reasonably possible, you increase the risk that you will have to pay for this care.

### **Follow-up care**

We do not cover follow-up care provided by Non-Plan Providers unless it is covered Emergency Care, Post-stabilization Care, or Out-of-Area Urgent Care described in this "Emergency, Urgent, and Routine Care" section.

### **Payment and reimbursement**

If you receive Emergency Care, Post-stabilization Care, or Out-of-Area Urgent Care from a Non-Plan Provider, the provider may agree to bill for the Services, or may require that you pay for the Services at that time. In either case, to request payment or reimbursement, you must file a claim as described under "Non-Plan Emergency Care, Post-stabilization Care, or Out-of-Area Urgent Care" in the "Requests for Payment or Services" section.

We will reduce any payment we make by applicable Copayments or Coinsurance, which are the same ones required for Services provided by a Plan Provider as described in the "Benefits, Copayments, and Coinsurance" section.

### **Routine Care**

If you need to make a routine care appointment, please refer to *Your Guidebook* for appointment telephone numbers, or go to [www.kaiserpermanente.org](http://www.kaiserpermanente.org) to request an appointment online. Routine appointments are for medical needs that aren't urgent (such as routine checkups and school physicals). Try to make your routine care appointments as far in advance as possible.

## Our Advice Nurses

We know that sometimes it's difficult to know what type of care you need. That's why we have telephone advice nurses available to assist you. Our advice nurses are registered nurses (RNs) specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. Whether you are calling for advice or to make an appointment, you can speak to an advice nurse. They can often answer questions about a minor concern or advise you about what to do next, including making a same-day urgent care appointment for you if it's medically appropriate. To reach an advice nurse, please refer to *Your Guidebook* for the telephone numbers.

## Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service is described in this "Benefits, Copayments, and Coinsurance" section. Copayments or Coinsurance are due when you receive the Service. For items ordered in advance, you pay the Copayment or Coinsurance in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it).

**Note:** If we bill you for a Copayment or Coinsurance, we will add a **\$13.50** billing charge and send you a bill for the entire amount. This **\$13.50** billing charge will not count toward the annual out-of-pocket maximum.

When you turn them in, we will give you a document stating that you don't have to pay any more Copayments or Coinsurance for these Services through the end of the calendar year.

Inside our Service Area, we cover DME in accord with our DME formulary guidelines for use in your home (or another location used as your home inside our Service Area). Coverage is limited to the standard item of equipment that adequately meets your medical needs. Covered DME is provided at **no charge**.

We decide whether to rent or purchase the equipment, and we select the vendor. We will repair or replace the equipment, unless the repair or replacement is due to loss or misuse. You must return the equipment to us or pay us the fair market price of the equipment when we are no longer covering it.

### **Outside the Service Area**

If you live outside our Service Area, we do not cover most DME for use in your home. However, our DME formulary guidelines allow certain DME (such as crutches and canes) for use in your home to be picked up from Plan Facilities even if you live outside our Service Area. To find out whether we will cover a particular DME item if you live outside our Service Area, please call our Member Service Call Center.

### **About our DME formulary**

Our DME formulary includes the list of durable medical equipment that has been approved by our DME Formulary Review Committee for our Members. The DME formulary was developed by a multidisciplinary clinical and operational workgroup with review and input from Plan Physicians and medical professionals with DME expertise (for example, physical, respiratory, and enterostomal therapists and home health). A multidisciplinary DME Formulary Review Committee is responsible for reviewing and revising the DME

formulary. Our DME formulary is periodically updated to keep pace with changes in medical technology and clinical practice. To find out whether a particular DME item is included in our DME formulary, please call our Member Service Call Center.

Our formulary guidelines allow you to obtain nonformulary DME (those not listed on our DME formulary for your condition) if Medical Group determines that it is Medically Necessary as described in "Medical Group authorization procedure for certain referrals" under "Getting a Referral" in the "How to Obtain Services" section.

**Note:** This "Durable Medical Equipment for Home Use" section applies to the following diabetes blood testing supplies and equipment and insulin-administration devices:

- Blood glucose monitors and their supplies (such as blood glucose monitor test strips, lancets, and lancet devices)

We will not provide the Allowance if we have covered a hearing aid for that ear within the previous 36 months. Also, the Allowance can only be used at the initial point of sale. If you do not use all of your Allowance at the initial point of sale, you cannot use it later
- Visits to verify that the hearing aid conforms to the prescription: **no charge**

- Up to two hours per visit
- Up to three visits per day
- Up to 100 visits per calendar year

**Note:** If a visit lasts longer than two hours, then each two-hour increment counts as a separate visit. For example, if a nurse comes to your home for three hours and then leaves, that counts as two visits. Also, each person providing Services counts toward these visit limits. For example, if a home health aide and a nurse are both at your home during the same two hours, that counts as two visits.

## Hospice Care

*Guidebook* can give you more information about obtaining refills (for example, a few Plan Pharmacies don't dispense covered refills). Also, most refills are available through our mail order program. ### Day supply limit

Plan Physicians determine the amount of a drug, supply, or supplement that equals a Medically Necessary 30-day supply (or 100-day supply) for you. Upon payment of the Copayment or Coinsurance listed in this "Outpatient Prescription Drugs, Supplies, and Supplements" section, you will receive the supply prescribed up to the day supply limit also specified in this section. The day supply limit is either a 30-day supply in a 30-day period or a 100-day supply in a 100-day period. If you wish to receive more than the day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

The pharmacy may reduce the day supply dispensed if the pharmacy determines that the item is in limited supply in the market. Also, the pharmacy may reduce the day supply dispensed at the Copayment or Coinsurance

to a 30-day supply maximum in any 30-day period for specific drugs (please call our Member Service Call Center for the current list of these drugs).

### **About our drug formulary**

Our drug formulary includes the list of drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is primarily comprised of Plan Physicians, selects drugs for the drug formulary based on a number of factors, including safety and effectiveness as determined from a review of medical literature. The Pharmacy and Therapeutics Committee meets quarterly to consider additions and deletions based on new information or drugs that become available. If you would like to request a copy of our drug formulary, please call our Member Service Call Center. The presence of a drug on our drug formulary does not necessarily mean that your Plan Physician will prescribe it for a particular medical condition.

Our drug formulary guidelines allow you to obtain nonformulary prescription drugs (those not listed on our drug formulary for your condition) if a Plan Physician determines that they are Medically Necessary. If you disagree with your Plan Physician's determination that a nonformulary prescription drug is not Medically Necessary, you may file a grievance as described in the "Dispute Resolution" section. Also, our formulary guidelines may require you to participate in a Plan-approved behavioral intervention program for specific conditions and you may be required to pay for the program.

**Note:** Durable medical equipment used to administer drugs is not covered under this "Outpatient Prescription Drugs, Supplies, and Supplements" section (instead, refer to the "Durable Medical Equipment for Home Use" section).

### **Outpatient prescription drugs, supplies, and supplements exclusions**

We select the provider or vendor that will furnish the covered device. Coverage includes fitting and adjustment of these devices, their repair or replacement (unless due to loss or misuse), and Services to determine whether you need a prosthetic or orthotic device. If we do not cover the device, we try to help you find facilities where you may obtain what you need at a reasonable price.

- If either Medical Group or the referral facility determines that you do not satisfy its respective criteria for a transplant, we will only cover Services you receive before that determination is made
- Health Plan, Plan Hospitals, Medical Group, and Plan Physicians are not responsible for finding, furnishing, or ensuring the availability of an organ, tissue, or bone marrow donor
- In accord with our guidelines for Services for living transplant donors, we provide certain donation-related Services for a donor, or an individual identified by Medical Group as a potential donor, even if the donor is not a Member. These Services must be directly related to a covered transplant for you. Our criteria for donor Services is available by calling our Member Service Call Center

For these covered Services, you will pay the Copayments and Coinsurance you would pay if the Services were not related to a transplant.

## Vision Services

We cover the Services listed below at Plan Medical Offices or Plan Optical Sales Offices when prescribed by a Plan Physician or Plan optometrist.

### **Eye exams**

Refraction exams to determine the need for vision correction and to provide a prescription for eyeglass lenses are covered at **\$30 per visit**.

When we cover these special contact lenses, you cannot use the Allowance mentioned under "Eyeglasses and contact lenses" for another 24 months. However, if the combination of special contact lenses and eyeglasses will provide a significant improvement in your vision not obtainable with special contact lenses alone, you can use that Allowance toward the purchase of the eyeglasses if we have not covered lenses or frames within the previous 24 months. If you have a change in prescription of at least .50 diopter in one or both eyes, we will cover special contact lens replacements, including fitting and dispensing

### Certain exams and Services

Physical examinations and other Services (a) required for obtaining or maintaining employment or participation in employee programs, (b) required for insurance or licensing, or (c) on court order or required for parole or probation. This exclusion does not apply if a Plan Physician determines that the Services are Medically Necessary.

### Chiropractic Services

Chiropractic Services and the Services of a chiropractor.

### Conception by artificial means

All Services (other than artificial insemination covered under "Infertility Services" in the "Benefits, Copayments, and Coinsurance" section) related to conception by artificial means, such as: ovum transplants, gamete intrafallopian transfer (GIFT), donor semen or eggs (and Services related to their procurement

and storage), in vitro fertilization (IVF), and zygote intrafallopian transfer (ZIFT).

### Cosmetic Services

Services that are intended primarily to improve your appearance, except for Services covered under "Reconstructive Surgery" and prostheses needed after a mastectomy covered under "Prosthetic and Orthotic Devices" in the "Benefits, Copayments, and Coinsurance" section.

### Custodial care

Custodial care means assistance with activities of daily living (for example: walking, getting in and out of bed, bathing, dressing, feeding, toileting, and taking medicine), or care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse.

This exclusion does not apply to Services covered under "Hospice Care" in the "Benefits, Copayments, and Coinsurance" section.

### Dental care

Dental care and dental X-rays, such as dental Services following accidental injury to teeth, dental appliances, dental implants, orthodontia, and dental Services resulting from medical treatment such as surgery on the jawbone and radiation treatment, except for Services covered under "Dental Services for Radiation Treatment and Dental Anesthesia" in the "Benefits, Copayments, and Coinsurance" section.

### Experimental or investigational Services

A Service is experimental or investigational if we, in consultation with Medical Group, determine that:

- Generally accepted medical standards do not recognize it as safe and effective for treating the condition in question (even if it has been authorized by law for use in testing or other studies on human patients), or
- It requires government approval that has not been obtained when the Service is to be provided

This exclusion does not apply to Services covered under "Services Associated with Clinical Trials" in the "Benefits, Copayments, and Coinsurance" section. Please refer to the "Dispute Resolution" section for information about Independent Medical Review related to denied requests for experimental or investigational Services.

### Hair loss or growth treatment

Services for the promotion, prevention, or other treatment of hair loss or hair growth.

### **Intermediate care**

Care in a licensed intermediate care facility. This exclusion does not apply to Services covered under "Hospice Care" in the "Benefits, Copayments, and Coinsurance" section.

### **Routine foot care Services**

Routine foot care Services that are not Medically Necessary.

### **Services related to a noncovered Service**

When a Service is not covered, all Services related to the noncovered Service are excluded, except that this exclusion does not apply to Services we would otherwise cover to treat complications of the noncovered Service.

### **Sexual reassignment surgery**

### **Speech Therapy**

Speech therapy Services to treat social, behavioral, or cognitive delays in speech or language development unless Medically Necessary.

### **Surrogacy**

Services for anyone in connection with a surrogacy arrangement, except for otherwise-covered Services provided to a Member who is a surrogate. A surrogacy arrangement is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child. Please refer to "Surrogacy arrangements" in the "Reductions" section for information about your obligations to us in connection with a surrogacy arrangement, including your obligation to reimburse us for any Services we cover.

### **Travel and lodging expenses**

Travel and lodging expenses, except that in some situations if Medical Group refers you to a Non-Plan Provider as described in "Medical Group authorization procedure for certain referrals" under "Getting a Referral" in the "How to Obtain Services" section, we may pay certain expenses that we preauthorize in accord with our travel and lodging guidelines. Our travel and lodging guidelines are available from our Member Service Call Center.

### **Limitations**

We will do our best to provide or arrange for our Members' health care needs in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete

or partial destruction of facilities, and labor disputes. Under these extreme circumstances, if you have an Emergency Medical Condition, go to the nearest hospital as described under "Emergency, Post-stabilization, and Urgent Care" in the "Emergency, Urgent, and Routine Care" section, and we will provide coverage and reimbursement as described in that section.

### **Coordination of Benefits (COB)**

The Services covered under this *EOC* are subject to coordination of benefits (COB) rules. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the COB rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100% of your covered medical expenses are paid for that Service. The COB rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about COB, please call our Member Service Call Center.

### **Reductions**

#### **Employer responsibility**

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

#### **Government agency responsibility**

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

### **Injuries or illnesses alleged to be caused by third parties**

You must pay us Charges for covered Services you receive for an injury or illness that is alleged to be caused by a third party's act or omission, except that you do not have to pay us more than you receive from or on behalf of the third party.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total of Charges for the relevant Services.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you obtain against a third party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the recovery is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

Kaiser Permanente  
Special Recovery Unit - 8553  
Parsons East, Second Floor  
P.O. Box 7017  
Pasadena, CA 91109-9977

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You must not take any action prejudicial to our rights.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

### **Medicare benefits**

Your benefits are reduced by any benefits to which you are entitled under Medicare except for Members whose Medicare benefits are secondary by law.

### **Surrogacy arrangements**

You must pay us Charges for covered Services you receive related to conception, pregnancy, or delivery in connection with a surrogacy arrangement ("Surrogacy Health Services"). Your obligation to pay us for Surrogacy Health Services is limited to the compensation you are entitled to receive under the surrogacy arrangement. A surrogacy arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments. Those payments shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a surrogacy arrangement, you must send written notice of the arrangement, including the names and addresses of the other parties to the arrangement, and a copy of any contracts or other documents explaining the arrangement, to:

Kaiser Permanente  
Special Recovery Unit  
Parsons East, Second Floor  
P.O. Box 7017  
Pasadena, CA 91109-9977  
Attention: Third Party Liability Supervisor

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy arrangements" section and to satisfy those rights. You must not take any action prejudicial to our rights.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

### **U.S. Department of Veterans Affairs**

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

### **Workers' compensation or employer's liability benefits**

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

- Fax your written request to 1-888-987-2252
- Deliver your request in person to your local Member Services Department at a Plan Facility

If we deny your request for an expedited decision, we will notify you and we will respond to your request for Services as described under "Standard decision." If we deny your request for Services in whole or in part, our written decision will fully explain why we denied it and how you can file a grievance.

**Note:** If you have an issue that involves an imminent and serious threat to your health (such as severe pain or potential loss of life, limb, or major bodily function), you can contact the Department of Managed Health Care (DMHC) directly at any time without first filing a grievance with us.

## **Dispute Resolution**

### **Grievances**

We are committed to providing you with quality care and with a timely response to your concerns if an issue arises. Our Member Services representatives are available to discuss your concerns at most Plan Facilities or you can call our Member Service Call Center.

You can file a grievance for any issue. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied about Services you received. You may submit your grievance orally or in writing as follows:

- Through our Web site at [www.kaiserpermanente.org](http://www.kaiserpermanente.org)

Kaiser Permanente  
Special Services Unit  
P.O. Box 7136  
Pasadena, CA 91109

We will send you a confirmation letter within five days after we receive your grievance. We will send you our written decision within 30 days after we receive your grievance. If we deny your grievance in whole or in part, our written decision will fully explain why we denied it and additional dispute resolution options.

### **Expedited grievance**

You or your physician may make an oral or written request that we expedite our decision about your grievance if it involves imminent and serious threat to your health, such as severe pain or potential loss of life, limb, or major bodily function. We will inform you of our decision within 72 hours (orally or in writing).

We will also expedite our decision if the request is for a continuation of an expiring course of treatment.

You or your physician must request an expedited decision in one of the following ways and you must specifically state that you want an expedited decision:

- Call 1-888-987-7247
- Send your written request to Kaiser Foundation Health Plan, Inc., Advocacy Program, P.O. Box 12983, Oakland, CA 94604-2983, Attention: Expedited Review
- Fax your written request to 1-888-987-2252
- Deliver your request in person to your local Member Services Department at a Plan Facility

If we deny your request for an expedited decision, we will notify you and we will respond to your grievance within 30 days. If we deny your grievance in whole or in part, our written decision will fully explain why we denied it and additional dispute resolution options.

**Note:** If you have an issue that involves an imminent and serious threat to your health (such as severe pain or potential loss of life, limb, or major bodily function), you can contact the DMHC directly at any time without first filing a grievance with us.

## **Supporting Documents**

It is helpful for you to include any information that clarifies or supports your position. You may want to include supporting information with your grievance, such as medical records or physician opinions. When appropriate, we will request medical records from Plan Providers on your behalf. If you have consulted with a Non-Plan Provider, and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your medical records. We will ask you to send or fax us a written authorization so that we can request your records. If we do not receive the information we request in a timely fashion, we will make a decision based on the information we have.

## **Who May File**

The following persons may file a grievance:

- You may file for yourself
- You may appoint someone as your authorized representative by completing our authorization form. Authorization forms are available from your local Member Services Department at a Plan Facility or by calling our Member Service Call Center. Your completed authorization form must accompany the grievance
- You may file for your Dependent children, except that they must appoint you as their authorized representative if they have the legal right to control release of information that is relevant to the grievance
- You may file for your ward if you are a court-appointed guardian
- You may file for your conservatee if you are a court-appointed conservator
- You may file for your principal if you are an agent under a health care proxy, to the extent provided under state law
- Your physician may request an expedited grievance as described under "Expedited grievance" above

## **DMHC Complaints**

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(1-800-464-4000)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained

unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet Web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

### **Independent Medical Review (IMR)**

If you qualify, you or your authorized representative may have your issue reviewed through the Independent Medical Review (IMR) process managed by the California Department of Managed Health Care (DMHC). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
  - ◆ you have a recommendation from a provider requesting Medically Necessary Services
  - ◆ you have received Emergency Care or urgent care from a provider who determined the Services to be Medically Necessary
  - ◆ you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for expedited grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's Independent Medical Review organization. The DMHC will promptly notify you of its decision after it receives the Independent Medical Review organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

### **Experimental or investigational denials**

If we deny a Service because it is experimental or investigational, we will send you our written explanation within five days of making our decision. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. "Life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, he or she recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying his or her recommendation
- You (or your Non-Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying his or her recommendation. We do not cover the Services of the Non-Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

## **Binding Arbitration**

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

### **Scope of Arbitration**

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc. (Health Plan), including any claim for medical or hospital malpractice, for premises liability, or relating to the coverage for, or delivery of, Services, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- The claim is *not* within the jurisdiction of the Small Claims Court
- If the Member's Group must comply with the Employee Retirement Income Security Act (ERISA) requirements, the claim is *not* a benefit-related request that constitutes a "benefit claim" in Section 502(a)(1)(B) of ERISA. Note: Benefit claims under this Section of ERISA are excluded from this binding arbitration requirement only until such time as the United States Department of Labor regulation prohibiting mandatory binding arbitration of this category of claim (29 CFR 2560.503-1(c)(4)) is modified, amended, repealed, superseded, or otherwise found to be invalid. If this occurs, these claims will automatically become subject to mandatory binding arbitration without further notice

As referred to in this "Binding Arbitration" section, "Member Parties" include:

- A Member
- A Member's heir or personal representative

- Any person claiming that a duty to him or her arises from a Member's relationship to one or more Kaiser Permanente Parties

"Kaiser Permanente Parties" include:

- Kaiser Foundation Health Plan, Inc. (Health Plan)
- Kaiser Foundation Hospitals (KFH)
- The Permanente Medical Group, Inc. (TPMG)
- Southern California Permanente Medical Group (SCPMG)
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any KFH, TPMG, or SCPMG physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

"Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

### **Initiating Arbitration**

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include all claims against Respondents that are based on the same incident, transaction, or related circumstances in the Demand for Arbitration.

### **Serving Demand for Arbitration**

Health Plan, KFH, TPMG, SCPMG, The Permanente Federation, LLC, and The Permanente Company, LLC shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.  
Legal Department  
393 East Walnut Street  
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

## **Filing Fee**

The Claimants shall pay a single, nonrefundable filing fee of \$150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Independent Administrator waive the filing fee and the Neutral Arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Call Center.

## **Number of Arbitrators**

The number of Arbitrators may affect the Claimant's responsibility for paying the Neutral Arbitrator's fees and expenses.

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one Neutral Arbitrator, unless the parties otherwise agree in writing that the arbitration shall be heard by two Party Arbitrators and one Neutral Arbitrator. The Neutral Arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one Neutral Arbitrator and two Party Arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a Party Arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a Single Neutral Arbitrator.

## **Payment of Arbitrator's Fees and Expenses**

Health Plan will pay the fees and expenses of the Neutral Arbitrator under certain conditions as set forth in the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* (Rules of Procedure). In all other arbitrations, the fees and expenses of the Neutral Arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select Party Arbitrators, Claimants shall be responsible for paying the fees and expenses of their Party Arbitrator and Respondents shall be responsible for paying the fees and expenses of their Party Arbitrator.

## **Costs**

Except for the aforementioned fees and expenses of the Neutral Arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

## **Rules of Procedure**

Arbitrations shall be conducted according to Rules of Procedure developed by the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Call Center.

## **General Provisions**

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondents served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (i) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (ii) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the Neutral Arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the Neutral Arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for noneconomic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this section.

## Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2005, your last minute of coverage was at 11:59 p.m. on December 31, 2004). When a Subscriber's membership ends, the memberships of any Dependents end at the same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *EOC* after your membership terminates, except as provided under "Payments after Termination" in this "Termination of Membership" section.

### **Termination Due to Loss of Eligibility**

If you meet the eligibility requirements described under "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section on the first day of a month, but later in that month you no longer meet those eligibility requirements, your membership will end at 11:59 p.m. on the last day of that month. For example, if you become ineligible on December 5, 2004, your termination date is January 1, 2005 and your last minute of coverage is at 11:59 p.m. on December 31, 2004.

### **Termination of Group Agreement**

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Group Agreement* with us terminates.

### **Termination for Cause**

If you commit one of the following acts, we may terminate your membership immediately by sending written notice to the Subscriber; termination will be effective on the date we send the notice:

- Your behavior threatens the safety of Plan personnel or of any person or property at a Plan Facility
- You commit theft from Health Plan, from a Plan Provider, or at a Plan Facility
- You knowingly commit fraud in connection with membership, Health Plan, or a Plan Provider. Some examples of fraud include:
  - ◆ misrepresenting eligibility information about you or a dependent
  - ◆ presenting an invalid prescription or physician order

- ◆ misusing a Health Plan ID card (or letting someone else use it)
- ◆ giving us incorrect or incomplete material information
- ◆ failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may report fraud and other illegal acts to the authorities for prosecution.

### **Termination for Nonpayment**

#### **Nonpayment of Dues**

If your Group fails to pay us the appropriate Dues for your Family Unit, we may terminate the memberships of everyone in your Family Unit.

**Partial payment of Dues for a Family Unit.** If your Group makes a partial Dues payment specifically for your Family Unit and does not pay us the entire Dues required for your Family Unit, we will terminate the memberships of everyone in the Family Unit at 11:59 p.m. on the last day of the month in which our determination is made. We will send written notice of the termination to the Subscriber at least 15 days before the termination date. Also, if we terminate your membership, we will reinstate your membership without a lapse in coverage if we receive full payment from your Group on or before your Group's next scheduled payment due date.

For Members who are eligible for Medicare as primary coverage, Dues are based on the assumption that Health Plan or its designee will receive Medicare payments for Medicare-covered Services provided to Members eligible for benefits under Medicare Part A or Part B (or both). If you are or become eligible for Medicare as primary coverage, you must comply with the following requirements:

- Enroll in all parts of Medicare for which you are eligible and continue that enrollment while a Member
- Be enrolled through your Group in Kaiser Permanente Senior Advantage
- Complete and submit all documents necessary for Health Plan, or any provider from whom you receive Services covered by Health Plan, to obtain Medicare payments for Medicare-covered Services provided to you

If you do not comply with all of these requirements for any reason (even if you are unable to enroll in Kaiser Permanente Senior Advantage because you do not meet

the plan's eligibility requirements, the plan is not available through your Group, or Senior Advantage is closed to enrollment), we will increase your Group's Dues to compensate for the lack of Medicare payment and transfer your membership to our non-Medicare plan if you are not already so enrolled. However, if your Group does not pay us the entire Dues required for your Family Unit, we will terminate the memberships of everyone in the Family Unit in accord with this section.

**Note:** Medicare is the primary coverage except when federal law requires that Group's health care plan be primary and Medicare coverage be secondary.

### **Termination for nonpayment of any other charges**

We may terminate your membership if you fail to pay any amount you owe Health Plan or a Plan Provider. We will send written notice of the termination to the Subscriber at least 15 days before the termination date. If we receive full payment before the termination date, we will not terminate your membership. Also, if we terminate your membership for nonpayment of other charges, we will reinstate your membership without a lapse in coverage if we receive full payment on or before the next scheduled payment due date.

Persons whose memberships are terminated for nonpayment of other charges may not enroll in Health Plan unless all amounts owed have been paid, and then, only if we approve the enrollment.

### **Termination of a Product or all Products**

We may terminate a particular product or all products offered in a small or large group market as permitted by law. If we discontinue offering a particular product in a market, we will terminate just the particular product upon 90 days prior written notice to you. If we discontinue offering all products to groups in a small or large group market, as applicable, we may terminate the *Group Agreement* upon 180 days prior written notice to you.

### **Certificates of Creditable Coverage**

The Health Insurance Portability and Accountability Act (HIPAA) requires employers or health plans to issue "Certificates of Creditable Coverage" to terminated group Members. The certificate documents health care membership and is used to prove prior creditable coverage when a terminated Member seeks new coverage. When your membership terminates, we will mail the certificate to the Subscriber unless your Group has an agreement with us to mail the certificates. If you

have any questions, please contact your Group's benefits administrator.

### **Payments after Termination**

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Dues paid for the period after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with "Non-Plan Emergency Care, Post-stabilization Care, or Out-of-Area Urgent Care" in the "Requests for Payment or Services" section. Any amounts you owe Health Plan, Kaiser Foundation Hospitals, or Medical Group will be deducted from any payment we make to you

### **State Review of Membership Termination**

If you believe that we terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see "DMHC Complaints" in the "Dispute Resolution" section).

### **Continuation of Membership**

If your membership under this *EOC* ends, you may be eligible to maintain Health Plan membership without a break in coverage under this *EOC* (group coverage) or you may be eligible to convert to an individual (nongroup) plan.

### **COBRA – Continuation of Group Coverage**

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. COBRA applies to employees (and their covered family Dependents) of most employers with 20 or more employees. Members may be eligible for COBRA continuation coverage even if they live in (or move to) the service area of a Region outside California.

You must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group's benefits administrator for the details about

COBRA continuation coverage, such as how to elect coverage and how much you must pay your Group.

As described in "Conversion of Group Membership to an Individual Plan," you may be able to convert to an individual (nongroup) plan if you don't apply for COBRA coverage, or if you enroll in COBRA and your COBRA coverage ends. Also, if you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described in "Cal-COBRA after exhausting COBRA."

### **Cal-COBRA after exhausting COBRA**

In certain cases, if you would otherwise lose COBRA coverage, you may be able to continue uninterrupted Group coverage under this *EOC* for a limited time upon arrangement with us in compliance with Cal-COBRA if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months
- You are not entitled to Medicare
- You pay us the monthly dues by the billing due date described under "How to request enrollment and paying dues"

As described in "Conversion of Group Membership to an Individual Plan," you may be able to convert to an individual (nongroup) plan if you don't apply for Cal-COBRA coverage, or if you enroll in Cal-COBRA and your Cal-COBRA coverage ends.

**How to request enrollment and paying dues.** To request an application, please call our Member Service Call Center. Within 10 days of your request, we will send you our enrollment application, which will include dues and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you a bill within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. The first dues payment will include coverage from when you exhausted COBRA coverage through our current billing cycle. You must send us the dues payment by the due date on the bill to be enrolled in Cal-COBRA.

Thereafter, monthly dues payments are due on or before the last day of the month preceding the month of coverage. The dues will not exceed 110% of the applicable Dues for covered employees except for

disabled individuals. For Dependents, the dues will not exceed 110% of the applicable Dues charged to a similarly situated individual under the group benefit plan except for disabled individuals. In the case of disabled individuals after 18 months of COBRA coverage, the percentage is 150% instead of 110%.

### **Termination of Cal-COBRA continuation coverage.**

Cal-COBRA coverage continues only upon payment of applicable monthly dues to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you become entitled to Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- Expiration of 36 months after your original COBRA effective date (under this or any other plan)
- The date you are terminated for nonpayment of dues as described under "Termination for Nonpayment of Cal-COBRA or State Continuation Coverage Dues" in this "Continuation of Membership" section

**Note:** If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (i) expiration of 36 months after your original COBRA effective date, or (ii) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security's final determination that you are no longer disabled.

### **Open enrollment or termination of another health plan.**

If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group's annual open enrollment period, if your Group terminates its agreement with the health plan you are enrolled in. You will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

To continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group's open enrollment period, or within 63 days of

receiving the termination notice described below from your Group. To request an application, please call our Member Service Call Center. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described below from your Group. If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the dues payment by the due date on the bill to be enrolled in Cal-COBRA.

Note: If your Group's agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating. This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health plan offered by your Group. It must also include information about benefits, dues, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new plan). Your Group is required to send this information to the person's last known address, as provided by the prior plan. Health Plan is not obligated to provide this information to qualified beneficiaries if Group fails to provide the notice.

### **Termination of State Continuation Coverage**

New enrollments are no longer available for State Continuation Coverage under Section 1373.621 of the California Health and Safety Code. If you are already enrolled in State Continuation Coverage, your coverage terminates on the earliest of:

- The date your Group's *Agreement* with us terminates
- The date you obtain coverage under any other group health plan not maintained by your Group, regardless of whether that coverage is less valuable
- The date you become entitled to Medicare
- Your 65th birthday
- Five years from the date your COBRA or Cal-COBRA coverage was scheduled to end, if you are a Subscriber's Spouse or former Spouse
- The date you are terminated for nonpayment of dues as described under "Termination for Nonpayment of Cal-COBRA or State Continuation Coverage Dues" in this "Continuation of Membership" section

### **Termination for Nonpayment of Cal-COBRA or State Continuation Coverage Dues**

If we do not receive your entire dues payment on or before the last day of the month preceding the month of coverage, then coverage for you and all your Dependents will end retroactively back to the last day of the month for which we received a full dues payment. This retroactive period will not exceed 60 days before the date we mail you a notice confirming termination of membership. If we do not receive dues on or before the last day of the month preceding the month of coverage, we will send a Notice of Termination (notice of nonreceipt of payment) to the Subscriber's address of record. We will mail this notice at least 15 days before any termination of coverage and it will include the following information:

- A statement that we have not received full dues payment and that we will terminate your membership for nonpayment if we do not receive the required dues within 15 days from the date the notice confirming termination of membership was mailed
- The specific date and time when coverage for you and all of your Dependents will end if we do not receive the dues

We will terminate your membership if we do not receive payment within 15 days of the date we mailed you the Notice of Termination (notice of nonreceipt of payment). We will mail a notice confirming termination of membership, which will inform you of the following:

- That we have terminated your membership for nonpayment of dues
- The specific date and time when coverage for you and all your Dependents ended
- Information explaining whether or not you can reinstate your membership

**Reinstatement of your membership after termination for nonpayment of dues.** If we terminate your membership for nonpayment of dues, we will permit reinstatement of your membership twice during any 12-month period if we receive the amounts owed within 15 days of the date the notice confirming termination of membership was mailed to you. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of dues more than twice in a 12-month period.

## **Uniformed Services Employment and Reemployment Rights Act (USERRA)**

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. Members may be eligible for USERRA continuation coverage even if they live in (or move to) the service area of a Region outside California. You must submit an USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage and how much you must pay your Group.

## **Conversion to an Individual Plan**

After your Group notifies us to terminate your membership, we will send a termination letter to the Subscriber's address of record. The letter will include information about options that may be available to you to remain a Health Plan member.

### **Kaiser Permanente Conversion Plan**

If you want to remain a Health Plan member, one option that may be available is an individual plan called "Kaiser Permanente Individual–Conversion Plan." The dues and coverage under our Individual–Conversion Plan will differ from those under this *EOC*. You may be eligible to enroll in our Individual–Conversion Plan if you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section. Also, if you enroll in Group continuation coverage through COBRA, Cal-COBRA, USERRA, or State Continuation Coverage after COBRA or Cal-COBRA coverage, you may be eligible to enroll in our Individual–Conversion Plan when your Group continuation coverage ends.

To be eligible for our Individual–Conversion Plan, there must be no lapse in your coverage and we must receive your enrollment application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later). To request an application, please call our Member Service Call Center.

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. Because your coverage under our Individual–Conversion Plan begins when your Group coverage ends (including Group continuation coverage), your first payment to us will include coverage from when your Group coverage ended through our current billing cycle. You must send us the dues payment

by the due date on the bill to be enrolled in our Individual–Conversion Plan.

You may not convert to our Individual–Conversion Plan if any of the following is true:

- You continue to be eligible for coverage through your Group (but not counting COBRA, Cal-COBRA, USERRA, or State Continuation Coverage after COBRA or Cal-COBRA coverage)
- Your membership ends because our *Agreement* with your Group terminates and it is replaced by another plan within 15 days of the termination date
- We terminated your membership under "Termination for Cause" or "Termination for nonpayment of any other charges" in the "Termination of Membership" section
- You live in the service area of a Region outside California, except that the Subscriber's or the Subscriber's Spouse's otherwise eligible children may be eligible to be covered Dependents even if they live in (or move to) the service area of a Region outside California (please refer to the "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section for more information)

### **HIPAA and other individual plans**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) protects health care coverage for workers and their families when they change or lose their jobs. If you lose group health care coverage and meet certain criteria, you are entitled to purchase individual (nongroup) health care coverage from any health plan that sells individual health care coverage.

Every health plan that sells individual health care coverage must offer individual coverage to an eligible person under HIPAA. The health plan cannot reject your application if you are an eligible person under HIPAA, you agree to pay the required premiums, and you live or work inside the plan's service area. To be considered an eligible person under HIPAA you must meet the following requirements:

- You have 18 or more months of creditable coverage without a break of 63 days or more between any of the periods of creditable coverage or since the most recent coverage was terminated
- Your most recent creditable coverage was under a group, government, or church plan (COBRA and Cal-COBRA are considered group coverage)
- You were not terminated from your most recent creditable coverage due to nonpayment of dues or fraud
- You are not eligible for coverage under a group health plan, Medicare, or Medicaid (Medi-Cal)

- You have no other health care coverage
- You have elected and exhausted any continuation coverage you were offered under COBRA or Cal-COBRA

For more information (including dues and complete eligibility requirements), please refer to the Kaiser Permanente HIPAA Individual Plan (KP HIP) *EOC*. To request a copy of the KP HIP *EOC* or for information about other individual plans, such as Kaiser Permanente Plans for Individuals and Families, please call our Member Service Call Center.

### **Coverage for a Disabling Condition**

If you became totally disabled after December 31, 1977, while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates, coverage for your disabling condition will continue until any one of the following events occur:

- 12 months have elapsed
- You are no longer disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *EOC* including Deductibles, Copayments, and Coinsurance.

For Subscribers and adult Dependents, "totally disabled" means that, in the judgment of a Medical Group Physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, "totally disabled" means that, in the judgment of a Medical Group Physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call our Member Service Call Center, within 30 days of the date your Group's *Agreement* with us terminates.

## **Miscellaneous Provisions**

### **Administration of Agreement**

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of the *Group Agreement* and this *EOC*.

### **Advance directives**

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact your local Member Services Department at a Plan Facility. You can also refer to *Your Guidebook* for more information about advance directives.

### **Agreement binding on Members**

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

### **Amendment of Agreement**

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to inform you in accord with applicable law and the *Group Agreement*.

### **Applications and statements**

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

### **Assignment**

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

### **Attorneys' fees and expenses**

In any dispute between a Member and Health Plan or Plan Providers, each party will bear its own attorneys' fees and other expenses.

### **Governing law**

Except as preempted by federal law, this *EOC* will be governed in accord with California law, and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

### **Group and Members not our agents**

Neither your Group nor any Member is the agent or representative of Health Plan.

### **Health Insurance Counseling and Advocacy Program (HICAP)**

For additional information concerning benefits, contact the Health Insurance Counseling and Advocacy Program (HICAP) or your agent. HICAP provides health insurance counseling for California senior citizens. Call the HICAP telephone number, 1-800-434-0222 (*TTY 1-800-722-3140*), for a referral to your local HICAP office. HICAP is a free service provided by the state of California.

### **Named fiduciary**

Under our *Agreement* with your Group, we have assumed the role of a "named fiduciary," a party responsible for determining whether you are entitled to benefits under this *EOC*. Also, as a named fiduciary, we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*.

### **No waiver**

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

### **Nondiscrimination**

We do not discriminate in our employment practices or in the delivery of Services on the basis of age, race, color, national origin, cultural background, religion, sex, sexual orientation, or physical or mental disability.

### **Notices**

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Subscribers who move should call our Member Service Call Center, as soon as possible to give us their new address. If a

Member does not reside with the Subscriber, he or she should contact our Member Service Call Center to discuss alternate delivery options.

**Note:** When we tell your Group about changes to this *EOC* or provide your Group other information that affects you, your Group is required to notify the Subscriber within 30 days (or five days if we terminate the Group's *Agreement*) after receiving the information from us.

### **Overpayment recovery**

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

### **Privacy practices**

Kaiser Permanente will protect the privacy of your Protected Health Information (PHI). We also require contracting providers to protect your PHI. PHI is health information that includes your name, Social Security number, or other information that reveals who you are. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, and health care operations purposes, including health research and measuring the quality of care and Services. We are sometimes required by law to give PHI to government agencies or in judicial actions. In addition, Member-identifiable medical information is shared with employers only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.
